### HG hygienic fridge cleaner

HG "hygienic fridge cleaner" is a fast-drying, fresh spray cleaner that cleans your fridge quickly and hygienically without leaving stripes.

**Directions for use:** Turn the nozzle on the front side a quarter. Spray the surface to be cleaned with HG "hygienic fridge cleaner", wipe with a clean cloth and rub the surface dry. For stubborn, dried-in grime leave to penetrate for a few minutes. There is no need to rinse with water. Do not spray onto foods or into ventilation openings. Also suitable for cleaning the outside of the fridge. Turn the nozzle a quarter after use (OFF).

**Attention: Transport and store the bottle upright.** To clean your fridge effectively, we recommend cleaning your fridge at least twice a month.

Medical personnel can request the data sheet via +31 (0)36 54 94 777
