### HG laminate spray for daily use (HG product 71)

HG "laminat spray for daily use" removes light amounts of dirt from all types of laminate floors in no time. With HG "laminat spray for daily use", you can quickly and easily keep your laminate floor clean.

**Directions for use:** Turn the nozzle on the front side a quarter. Clean the laminate floor with HG "laminat spray for daily use" using a floor cloth. Slightly dampen the floor cloth with HG "laminat spray for daily use". To clean the laminate floor please spray HG "laminat spray for daily use" 2-4 times on a clean cloth or mop. In any case, ensuring that the floor cloth does not become too damp. Then lightly rub/mop the laminate floor. You should not make the floor wet with the floor cloth. The cloth should be just damp enough to pick up all the dust and dirt. For that reason, it is also not necessary to dry the floor. In the case of stubborn stains, spray directly on to the stain and leave to work in for a while. Turn the nozzle a quarter after use (OFF). For weekly cleaning, use HG "laminat gloss cleaner" (HG product 73). Carefully follow the instructions to prevent the laminate from becoming too wet. Wet cleaning may cause swelling of the seams of the laminate.

**Attention: Transport and store the bottle upright.** Suitable for daily maintenance. **P101-** If medical advice is needed, have product container or label at hand. **P102-** Keep out of reach of children. • Medical personnel can request the data sheet via +31 (0)36 54 94 777 • The consumer's information sheet can be obtained via [www.HG.eu](http://www.HG.eu)
