

HG[®] garden

powerful garden furniture cleaner

for all kinds of garden furniture

500 ml e

HG powerful garden furniture cleaner

HG "powerful garden furniture cleaner" effortlessly removes stubborn stains from plastic, aluminium, woven, cane (look), pulp cane, polywood and metal garden furniture, as well as from epoxy, galvanised and most other (combinations of) materials.

Directions for use: Turn the nozzle on the front side a quarter. Spray the surface area to be cleaned and leave to soak for one to two minutes. Remove dirt with a cloth or kitchen roll. For very stubborn stains, leave to soak a little longer. Remove dirt with a brush or a pad and rinse. Turn the nozzle a quarter after use (OFF).

Attention: Transport and store the bottle upright. For weathered plastic furniture we recommend HG "plastic garden furniture restorer". For maintenance of your (hard) wood and cane garden furniture, please refer to our extensive product range for hardwood and cane garden furniture products. **P101-** If medical advice is needed, have product container or label at hand. **P102-** Keep out of reach of children. • Medical personnel can request the data-sheet via +31 (0)36 54 94 777 • The consumer's information sheet can be obtained via www.HG.eu
