hob thorough cleaner

suitable for ceramic hobs, induction hobs, gas hobs and glass hobs

250 ml ℮

HG hob thorough cleaner

A fresh-smelling intensive cleaner, specifically developed for the removal of stubborn baked-on marks and cooking rings on all types of ceramic and induction hobs. Cleans and provides a protective shine.
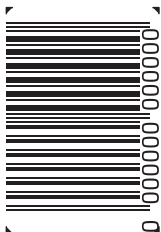

Directions for use:
Apply a little of HG "hob thorough cleaner" onto a cloth and rub well into the ceramic cooker hob. Then wipe off the surface with a damp cloth and rub with a dry cloth until high gloss appears. For daily cleaning we recommend the use of HG "hob cleaner for everyday use".

Attention:
• **Transport and store the bottle upright.**
• Do not apply in direct sunlight
• Shake well before use
• Do not apply on hot cooker hobs
• Keep in a frostfree area.
• 1,16% of the mixture consists of component(s) of unknown toxicity.
• Medical personnel can request the data sheet via +31 (0)36-54 94 777
• The consumer's information sheet can be obtained via www.*HG*.eu
