HG UPVC 'powerful' cleaner

HG "UPVC 'powerful' cleaner" is a very special, extremely powerful cleaner, especially developed to thoroughly clean all kinds of synthetic frames, windows, doors, etc., without attacking the materials. This unique product easily and quickly removes any atmospheric contamination, nicotine deposits and many other types of dirt, making your UPVC as good as new again.

Directions for use:

When lightly soiled:

- Turn the nozzle on the front side a quarter.
- Spray the HG "UPVC 'powerful' cleaner" onto a clean cloth and wipe the surface.
- Wipe the surface again with a slightly damp cloth to remove any streakiness.
- Turn the nozzle a quarter after use (OFF).

When heavily soiled:

- Turn the nozzle on the front side a quarter.
- Spray the HG "UPVC 'powerful' cleaner" on the surface to be cleaned and leave to work for a few minutes.
- Now wipe the surface thoroughly with a cloth and possibly with water, or rinse with water.
- Repeat the treatment for very heavy soiling and leave the HG "UPVC 'powerful' cleaner" to work longer.
- Turn the nozzle a quarter after use (OFF).

Attention: Transport and store the bottle upright. Make sure HG "UPVC 'powerful' cleaner" does not drip onto surfaces sensitive to moisture, such as furnishings, floors, etc. Cover them before cleaning if necessary. **P101-** If medical advice is needed, have product container or label at hand. **P102-** Keep out of reach of children.
