HG headstone cleaning spray

HG "headstone cleaning spray" removes thoroughly and effortlessly dirt, bird droppings and other heavy soiling from natural stone and marble headstones and statues. Can also be used on plaster and masonry.

Directions for use:

Remove the **locking clip** before use. Press the nozzle at the front side and turn a quarter. Spray HG "headstone cleaning spray" onto the soiled areas from a distance of about 5 cm. Turn the nozzle a quarter backwards after use (blocking position). Repeat the treatment after 20-30 minutes in the case of stubborn dirt. Any residues that remain can be wiped off with a cloth or hand brush. After cleaning wash down the surfaces using plenty of water.

Attention: Transport and store cool, dark and in an upright position. Avoid contact with plants and fabrics. Do not use on lead and gold lettering. Rinse off from bright metals and lettering immediately. • Medical personnel can request the data sheet via +31 (0)36 54 94 777. • The consumer's information sheet can be obtained via www.HG.eu
